# Celebration of Performances

We started our dance program in 1976 with just six students. Today we have grown to have a dance studio at each of our preschools as well as three stand alone studios in San Jose and Mountain View. We have more than 4500 dancers taking classes in all styles of dance from ballet, to hip hop, to lyrical, to ballroom! Nurturing a young child's love of music and movement remains of one of the key goals of the program, and by doing this we are helping to enhance their self-esteem. The ages of our students range from 18 months to adult, with more than 70% of our dancers being under the age of 4 years old.

Thank you, parents, for your support and encouragement—and a special thank you to our incredible school Directors, Dance Representatives, and their schools for working together with our dedicated Dance Teachers to provide the joy of dance and theater to these young stars! It is truly an amazing adventure to collaborate with all of you on a project of such grand scope each year. We are incredibly happy that we are back at the Center for the Performing Art this year after a two year hiatus, and we are proud of our body of work, which now includes 46 years of dance instruction and magical productions...and so many happy, dancing feet!

**1981 Cinderella** the newspapers gave our first performance at the CPA rave reviews.

**1982 Snow White** the television stations covered the event and we had a real snowstorm on stage.

**1983 Wiz Kids** we received letters from Liza Minelli, Margaret Hamilton and Ray Bolger! Dorothy and Toto flew across the stage and we had a real tornado.

**1984 Dance Works** three shows that featured costumes made by ten teachers for 300 children.

**1985 Circus dancing Hot Dogs** rolled across the floor of the San Jose Civic Auditorium and the entire poodle kennel performed.

**1986 Circus Ernie Reyes, Jr.** performed with the children, and we had a live camel in attendance.

**1987 Pinocchio** his nose REALLY grew! The show included a whale that swallowed Gheppetto.

**1988 Sleeping Beauty** a fire-breathing dragon, 20 feet long with a 10-foot-tail, came to life on the stage.

**1989 Lady and The Tramp** our dog-a-thon raised money for the Adoptive Dog Orphanage.

**1990 Peter Pan** Mary Martin wrote a letter of congratulations to us.

**1991 Cinderella** a tenth anniversary performance.

**1992 Little Mermaid** had barely enough room for all of the dancing fish in the backstage holding tank!

**1993 Wiz Kids** this show included the family of our Director in the cast: husband, daughter, son, and the family dog as tumbling Toto.

**1994 Snow White** this performance marked a special 25-year celebration of our Action Day and Primary Plus School's opening.

**1995 Alice in Wonderland** included 17-foot-tall flowers and an actual Alice that grew to the height of 20 feet.

**1996 Mary Poppins** we actually flew chairs, a table, and cast members during the laughing tea time scene.

**1997 Aladdin** the magic of Arabian nights, flying carpets, and live bongos...this was a "gem" of a show.

**1998 Jungle Book** 30 years of excellence at Action Day Primary Plus Schools included letters of commendation presented to our founder, Carole Freitas, from the Mayor, the Governor, and the U.S. President.

**1999 Beauty and The Beast** Belle and the Beast were played by staff member Cathy Jelic and her husband D.J.!

**2000 Peter Pan** we truly earned our wings in this Pixie Dust show.

**2001 Cinderella** marked a 20 year celebration of our performances at the San Jose Center for the Performing Arts!

**2002 Little Mermaid** Chasse-ing Sushis, Tapping Flounders, and a return appearance by San Jose celebrity SJ Sharkey!

**2003 The Wiz Kids in Oz** third time is a charm on the yellow brick road with instructors Suzette, Tara, Leandra, Michelle, and Dawn...20 years of dancing to Emerald City and home again.

**2004 Pinocchio's Adventures** this year's performance was a special anniversary production.

**2005 Snow White** the third time was a charm for Snow and her dwarfs.

**2006 Aladdin's Adventures** this performance included 855 dancing stars, flying carpets, a journey to a desert, the discovery of the cave of wonders, a magic lantern, and a whole new world!

**2007 Beauty and The Beast** Cathy Jelic returned as Belle in a command performance, with husband D.J. as her Prince, and their daughter Gianna in the role of Chip!

**2008 Sleeping Beauty** we celebrated the 40th birthday of Action Day Primary Plus! The founders and producers of the show, John and Carole Freitas, graced the stage with an elegant waltz. We resurrected our 50 foot fire-breathing Dragon and slayed him with acrobatic dancers and Karate performers.

**2009 Alice in Wonderland** our second time presenting this fun and colorful show. Our 20 foot Alice was resurrected, as well as giant fluorescent flowers and mushrooms.

**2010 The Wizard of Oz** our fourth time dancing down the yellow brick road! "Flying by Foy", carried the Wicked Witch on her broom and Glenda the Good Witch in her bubble! Michelle Freitas returned as the beloved Cowardly Lion. Dorothy, played by Gianna Jelic, clicked her ruby slippers and made it back to Kansas.

**2011 Cinderella** our 30th year anniversary show showcases the magic of the glass slipper!

**2012 Little Mermaid** our third time visiting the charmingly fantastical world of Ariel and her fin-footed friends under the sea. We enjoyed the return of the Chasse-ing Sushis, Puffy Guppies, and much more.

**2013 Mary Poppins** our magical production included flying characters, "Step in Time" tappers, and a supercalifragilisticexpialidocious finale by our award-winning dance team!

**2014 Snow White** we returned a fourth time to the cottage in the forest to visit sweet Snow and her seven Dwarfs!

**2015 Aladdin** This was our third time performing the story of Aladdin and Jasmine, and included our award-winning "Friend like me" production, featuring the one and only, Genie!

**2016 Peter Pan** This was our 3rd time visiting Neverland, and included Peter, Tinkerbell, and the Darling Children flying across our stage!

**2017 Toy Story** This was a ground breaking performance filled with live vocals, adventures, and award-winning routines performed by our WVDC dance team.

**2018 Beauty and the Beast** We once again visited the Beast's Castle, this time bringing even more enchanted characters to life! The fantastic Gianna Jelic continued the legacy in reprising her mother's role as Belle.

**2019 Alice in Wonderland** This was our third time performing this show with all of the magical adventures in Wonderland! It was our last show before the pandemic saw us take a two year hiatus from our extravagant Center for the Performing Arts shows.

**2020 Wizard of Oz** We were unable to put this show on stage in 2020 due to the Covid-19 pandemic. However our dancers worked hard preparing for the show and continued their love of dance through virtual classes and our very first Virtual Recital.

**2021 The Beat Goes On** 2021 was again a year that saw unprecedented times as we staged our first ever outdoor recital at our Allen school complete with a giant balloon framed stage and 13 separate shorter shows across three days.
